### ***Your Psychic ability is your Birthright!***

We each have our own very special psychic gift. In this innovative workshop, you will learn how to apply your unique sense, whether it be Clairvoyance (seeing), Clairaudience (hearing), Clairsentience (feeling) or Claircognizance (knowing).

We will also look at some of the 'tools of the trade' such as Tarot, Numerology and pendulum dowsing.

We will be combining this with EFT (Emotional Freedom Techniques), which quickly helps shift negative thoughts and limiting beliefs, allowing you to release any fears and doubts about your gifts and abilities.

With EFT you will also create a more powerful connection with your Guides and access your elevated senses. Not only will you learn a technique that will enhance your psychic abilities but you will take away a powerful tool you can use in any area of your life that needs healing.

Julie Cook is an Internationally Renowned Psychic Medium and has more than 30 years experience working with clients at home and abroad, giving private readings as well as teaching in numerous seminars, retreats, and workshops.

Falguni Mather works as an Integrative Counsellor for holistic wellness. She teaches EFT skills and techniques in Hong Kong and Mumbai and runs educational workshops at Cancer Link in HK.

With their wisdom, warmth, and humour, Julie and Falguni create a magical atmosphere in which you can truly feel free to learn and expand your innate abilities.
